Developments in WAKO India, J&K 12th November 2021

A great news for Jammu & Kashmir Kickboxing lovers-

Recently the Jammu & Kashmir Kickboxing Association (Dissident Group) merged with the Kickboxing Association of Jammu & Kashmir (WAKO India Unit). This has been the greatest news in the development of the state kickboxing where 2 giants have come together to target for the common goal. On 21st November 2021, Mr. G.N. Tantray, Sr. Vice President of Kickboxing Federation of India (Dissident Group) & President of J&K Kickboxing Association with his Gen. Secretary, Mr. Faizal Ali held the Press meeting to announce officially the merger in the presence of Mr. Abhishek Jain- WAKO India Kickboxing Federation National Treasurer & Board Member and also the Gen. Secretary of Kickboxing Association of Jammu & Kashmir (WAKO India Unit).

Mr. Tantray stated there was irregularity in players selection in National and International Championships and some fraud were happening for the sake of money in KFI which they do not encourage. It was very disappointing to see these organization structures in which young talent does not get recognized and gets false hopes. And since, WAKO India Kickboxing Federation, the official body to represent WAKO (International Federation) in India had done a lot of hard work over the years to redefine the kickboxing sport in India. Lately, WAKO India has also got recognition by the Ministry of Youth Affairs & Sports, Government of India.

He added that they have been working in the sport for quite a long time and have several Districts within the State under their umbrella. So, it will be great to strengthen ourselves by joining hands for uplifting and promoting Kickboxing Sport in Jammu & Kashmir amongst youth.

Tantray led Kickboxing body merges with KAJK

merger of the J&K unit of KFI in WAKO India.

"We had no hesitation in making two different identities one strong unit of Kickboxing in J&K. The merger has made an end to the factionalism and confusion among the trainees. I am hopeful that working together will usher in new era in the game of Kickboxing," said Abhishek Jain.

Earlier, Tantray resigned from the post of senior vice

president of KFI for irregularities in selection of the players at the national and international championship and for sending players outside India allegedly in a fraudulent manner without consulting respective state unit heads.

"Recently, an unregulated invitational championship conducted in Egypt in which players were selected without completing any selection criteria. This is very distressing and

painful for the upcoming bright young players in the field of kickboxing and some things down the morale of the real talented budding player in line of such circumstances and for the sake of the future, the players are hereby resigning from the KFI," mentioned Tantray.
