NATIONAL KICKBOXING REFEREE SEMINAR 2026

The National Kickboxing Referee Seminar commenced with an inspiring opening ceremony that united referees, technical officials and coaches. The event emphasized setting international standards in officiating, reinforcing rule precision, and promoting high sportsmanship. Both the outdoor arena line-up and stage presentations reflected a shared dedication to elevating kickboxing officiating across all competitive divisions.

NATIONAL KICKBOXING REFEREE SEMINAR 2026

The ceremony marked a key moment of appreciation for certified National Referees who ensure accuracy, safety, and strict compliance with international rules during high-level competitions. Senior event dignitaries presented special WAKO mementos to the national referees to honor their dedication, unbiased judgment, and role in maintaining high sportsmanship standards.

NATIONAL KICKBOXING REFEREE SEMINAR 2026

The seminar featured in-depth classroom learning sessions focused on electronic scoring rules, point evaluation, and match conduct standard practices. Referees and officials attended presentation lectures detailing ring management principles, followed by a formal written assessment to test rule comprehension and decision-making accuracy.

NATIONAL KICKBOXING REFEREE SEMINAR 2026

The theoretical segment featured a detailed presentation on **"Point Fighting Scoring Techniques,"** led by expert instructors. Using video analysis and live slide demonstrations, referees were trained on recognizing valid scoring strikes, evaluating contact levels, and executing instant, accurate hand signals during fast-paced point fighting bouts.

NATIONAL KICKBOXING REFEREE SEMINAR 2026

The seminar covered key technical rules regarding fighter safety and equipment compliance, specifically detailing "Slipping of the Gloves" in Points Fighting. Through visual demonstrations, the presenter highlighted standard gear specifications, correct glove adjustment, and gear violations to ensure referees can strictly enforce safety protocols and fair play inside the ring.

NATIONAL KICKBOXING REFEREE SEMINAR 2026

The seminar seamlessly combined theoretical "**Ring management techniques**" with a rigorous written assessment. The interactive module prioritized core refereeing competencies, including strategic ring positioning, precise hand signaling, active bout control, and real-time case study evaluations of dynamic match scenarios. Concluding the theoretical discussion, all officiating personnel underwent a standardized written examination designed to evaluate rulebook mastery, technical comprehension, and decision-making precision under competition standards.
